**Modifications to this Agreement and Change in Terms.** We may change any term of this Agreement at any time and may modify the terms and conditions applicable to the Online Banking Services from time to time. If a change would result in increased fees

for any Online Banking Service, increased liability for you, fewer types of available electronic fund transfers, or stricter limitations on the frequency or dollar amount of transfers, we agree to give you notice at least 21 days before the effective date of any such change, unless an immediate change is necessary to maintain the security of an account or our electronic fund transfer system. For any change where advance notice is not required, the revised terms and conditions will be effective at the earliest date allowed by applicable law. As we deem appropriate given the circumstances, we will post any notice of the change in terms on the CLCU website, on or with periodic statements, within the Online Banking Services system, or forward notice to you by email or by postal mail. Your continued use of any or all the Online Banking Services after the effective date will indicate your acceptance of the change in terms. We reserve the right to waive, reduce or reverse charges or fees in individual situations. You acknowledge and agree changes to fees applicable to specific accounts are governed by the applicable agreements and disclosures.

The headings in this Agreement are for convenience or reference only and will not govern the interpretation of the provisions. Any waiver (express or implied) by either party of any default or breach of this Agreement must be in writing and shall not constitute a waiver of any other or subsequent default or breach. You may not assign this Agreement. This Agreement is binding upon your heirs and CLCU's successors and assigns. Certain of the obligations of the parties pursuant to this Agreement that by their nature would continue beyond the termination, cancellation, or expiration of this Agreement shall survive termination, cancellation, or expiration of this Agreement.

## Online Banking Services

**Online Banking Services.** You can use the Online Banking Services to check the balance of your CLCU accounts, view CLCU account histories, pay bills, and transfer funds between your CLCU accounts.

**Location Information.** Our Applications periodically collects, transmits, and uses geolocation information for enabling features such as, but not limited to, card use and alerts to prevent fraudulent activities, but only if the end user expressly authorizes collection of such information. Geolocation information can be monitored on a continuous basis in the background only while the feature(s) are being used or not at all, depending on your selection. You can change your location permissions at any time in your device settings.

**Hours of Access.** You may use the Online Banking Services seven days a week, twenty-four hours a day, although some or all Online Banking Services may not be available occasionally due to emergency or scheduled maintenance. We agree to post notice of any extended periods of non-availability on the CLCU website.

**Your Password.** You determine what password you will use and the identity of your password is not communicated to us. You accept responsibility for the confidentiality and security of your password. Upon five unsuccessful attempts to use your password, your access to the Online Banking Services will be locked. To unlock your account, contact us by calling (361)985-6810.

To be valid, your password must utilize both upper- and lower-case alpha and numeric characters for purposes of security. Your password should not be associated with any commonly known personal identification, such as social security numbers, address, date of birth, names of children, and should be memorized rather than written down. You may change your password at any time by selecting Update Password in the My Settings menu.

**Security.** You understand the importance of your role in preventing misuse of your accounts through Online Banking and you agree to promptly examine your paper or electronic statement for each of your CLCU accounts as soon as you receive it. You agree to protect the confidentiality of your account and account number, and your personal identification information, such as your driver's license number and social security number. You understand personal identification information by itself, or together with information related to your account, may allow unauthorized access to your account. Your password and login ID are intended to provide security against unauthorized entry and access to your accounts. Data transferred via Online Banking is encrypted in an effort to provide transmission security and Online Banking utilizes identification technology to verify that the sender and receiver of Online Banking transmissions can be appropriately identified by each other. Notwithstanding our efforts to insure the Online Banking system is secure, you acknowledge the Internet is inherently insecure and that all data transfers, including electronic mail, occur openly on the Internet and potentially can be monitored and read by others. We cannot and do not warrant all data transfers utilizing Online Banking, or email transmitted to and from us, will not be monitored or read by others.

**Card Controls** - The card controls feature is offered by CLCU (referred to herein as "CLCU", "us", "we" or "our") for use by CLCU cardholders. CLCU's card controls feature is intended to allow You to initiate certain payment card related activities for Your enrolled CLCU card(s) via the card controls feature. Those activities may include the ability to but not limited to:

- a) Register the card.
- b) Activate and deactivate the card.

- c) Set control preferences for card usage including location, transaction, and merchant types, spend limits, and card on/off (“Controls”)
- d) Set alert preferences for card usage including location, transaction, and merchant types, spend limits, and
- e) declined purchases (“Alerts”)
- f) View transaction history including cleansed and enriched merchant information (e.g., merchant name,
- g) address, and contact information)
- h) Report Your card as lost or stolen.
- i) Review Your spending by merchant type and/or by month.
- j) View a list of merchants storing Your card information for recurring or card-on-file payments.

The card controls feature may enable access to CLCU and third parties’ services and web sites, including GPS locator websites, such as Google. Use of such services may require internet access and that You accept additional terms and conditions applicable thereto, including, with respect to Google maps, those terms and conditions of use found at [http://maps.google.com/help/terms\\_maps.html](http://maps.google.com/help/terms_maps.html) and the Google Legal Notices found at [https://www.google.com/help/legalnotices\\_maps/](https://www.google.com/help/legalnotices_maps/), or such other URLs as may be updated by Google. To the extent the card controls feature allows You to access third party services, CLCU and those third parties, as applicable, reserve the right to change, suspend, remove, limit, or disable access to any of those services at any time without notice and without liability to You.

You agree to allow us to communicate with You via push notification, SMS and/or email, with respect to the activities performed via the card controls feature. Data fees may be imposed by Your mobile provider for the transmission and receipt of messages and Alerts.

CLCU reserves the right to send administrative and service notifications via emails and/or SMS messages to the email address and/or phone number provided upon enrollment in CLCU’s card controls feature.

**Availability/Interruption.** You acknowledge that the actual time between occurrence of an event (“**Event**”) triggering a selected Control or Alert and the time the notification of such event is sent to Your mobile device (“**Notification**”) is dependent on a number of factors including, without limitation, Your wireless service and coverage within the area in which You are located at that time. You acknowledge that Notifications of Events may be delayed, experience delivery failures, or face other transmission problems. Similarly, selection of Controls and Alerts (collectively, “**Commands**”) are likewise affected by the same or similar factors and problems could arise with use of Commands. Notifications of Events may not be available to be sent to Your mobile device in all areas.

If You registered to receive Notifications to Your mobile device, the card controls feature is available when You have Your mobile device within the operating range of a wireless carrier with an appropriate signal for data services. The card controls feature is subject to transmission limitations and service interruptions. CLCU does not guarantee that the card controls feature (or any portion thereof) will be available at all times or in all areas.

You acknowledge and agree that certain functionality with the card controls feature may not be available for all transactions. Commands based upon the location of the mobile device where the card controls feature is installed or the location of the merchant where the card is being attempted for use may not apply appropriately to card-not-present transactions or transactions where the location of the actual location of the merchant differs from the merchant’s registered address.

You acknowledge and agree that neither CLCU nor its third-party services providers (including the developer of the technology enabling the Notifications) are responsible for performance degradation, interruption or delays due to conditions outside of its control. You acknowledge that neither CLCU nor its third-party service providers shall be liable to You if You are unable to receive Notifications on Your mobile device in Your intended area. CLCU, for itself and its third-party service providers, disclaims all liability for: any delays, mis-delivery, loss, or failure in the delivery of any Notification; any form of active or passive filtering.

**Posting of Transfers.** Transfers between your accounts initiated through Online Banking are posted to your account in real time.

**Overdrafts (Order of Payments, Transfers, and other Withdrawals).** If the available balance in your account is insufficient to perform all electronic fund transfers you have requested for a given business day, then:

- a) Electronic funds transfers involving currency disbursements, like ATM withdrawals, will have priority;

- b) Electronic fund transfers initiated through Online Banking which would result in an overdraft of your account may, at our discretion, be cancelled;
- c) In the event the electronic fund transfers initiated through Online Banking would result in an overdraft of your account and are not canceled, an overdraft charge will be assessed according to the terms of the agreement for that account and as disclosed in the Fee Schedule.

## Online Bill Payment & Presentment Service Terms and Conditions

CLCU offers Online Bill Payment & Presentment Services ("Bill Pay" or "Bill Pay Service") to qualifying members as described in these Terms and Conditions. You agree these Terms and Conditions are made part of the Electronic Funds Transfer Agreement and the Account Agreement that have been previously provided and you understand and agree those agreements include additional information and details related to transactions conducted using the Bill Pay Service. **Enrollment Request for Bill Pay.** CLCU reserves the right to refuse enrollment in Bill Pay to any member who does not meet the criteria which has been established by CLCU or CLCU's third party provider (currently, FIS; however, CLCU reserves the right to change providers). **IMPORTANT:** This service may not be used for accounts where two signatures are required. In addition, the Bill Pay Service may not be used to pay tax payments or court ordered payments.

**Termination.** If you sign up for the Bill Pay Service but do not use it to pay at least one bill within a 120 day period, CLCU reserves the right to cancel your ability to use the Bill Pay Service, which will result in the loss of any information that you have in the Bill Pay Service system (such as Payee and account information).

If you wish to discontinue using the Bill Pay Services, you agree you will be responsible for all Payment Instructions made prior to termination and for all other applicable charges and fees. You agree to cancel all outstanding payment orders before notifying CLCU of your intent to terminate the Bill Pay Service.

**Authorization.** By providing the Bill Pay Service with the names and account information of those entities and/or persons to whom you wish to direct payment, you authorize the Bill Pay Service to follow the Payment Instructions that are received from you through the Bill Pay Service. When the Bill Pay Service receives a Payment Instruction, you authorize it to debit your Payment Account and remit funds on your behalf so that the funds arrive as close to the Business Day designated by you as reasonably possible.

**Transaction Limits.** You may use the Bill Pay Service to pay bills directly from the primary checking account in the amounts and on the days you request, up to \$9,999.99 per transaction, or up to the available balance, whichever is less. With the exception of the specific transactions described herein, there are no limits on the number or frequency of transactions you may initiate through the Bill Pay Service, provided there are available funds in your account. CLCU reserves the right to limit the frequency and dollar amount of transactions at any time for security, contractual, or risk management reasons.

**Payments.** Payments and transfers from your CLCU accounts may be scheduled and processed in four different ways:

**"Today"** (For all Payee Types): If you designate a bill payment as a "Today" transaction, the processing date will be the same day if designated before 4:00 p.m. Central Time/5:00 p.m. Eastern Time. Sufficient available funds must be available at the time you request the transaction. "Today" payments may be changed or canceled at any time before the "Cutoff Time" of 4:00 p.m. Central Time/5:00 p.m. Eastern Time on the processing date of the transaction.

**"Future"** (For all Payee Types): If you designate a payment as "Future" transaction, you may request that the transaction be made on a future date that you may designate up to 365 days in advance. The processing date will be the effective date you entered, or the next Business Day should the effective date fall on a weekend or holiday. Sufficient available funds must be available at the time you request the transaction and at the time of the scheduled transaction. "Future" payments may be changed or canceled at any time before the "Cutoff Time" of 4:00 p.m. Central Time/5:00 p.m. Eastern Time on the processing date of the transaction.

**"Recurring"** (For all Payee Types): If you designate a payment as a "Recurring" transaction, you may request that the transaction be made in the same amount to the same merchant or account on a specified regular or periodic basis (i.e. weekly, bi-weekly, monthly, etc.). You will designate a "start" and "end" date. The processing date will be the effective date you entered, or the next Business Day should the effective date fall on a weekend or holiday. Sufficient available funds must be available at the time you request the transaction and at the time of each scheduled transaction. "Recurring" payments may be changed or canceled at any time before the "Cutoff Time" of 4:00 p.m. Central Time/5:00 p.m. Eastern Time on the processing date of the transaction.

**"Automatic"** (Payees with e-Bills Only): If you establish automatic payment rules to pay your Payee(s), you authorize us to make payments to that specific Payee(s) automatically based on the rules you create without requiring your approval each time. **If an e-Bill is presented for payment that does not meet the criteria of the rules you created, the Payments(s) will not be made automatically.** "Automatic" payments may be changed or canceled at any time before the "Cutoff Time" of 4:00 p.m. Central Time/5:00 p.m. Eastern Time on the processing date of the transaction.

You also authorize CLCU, and any third-party acting on CLCU's behalf, to choose the most effective method to process your payments. You will receive a transaction confirmation number for each properly instructed payment. Unless you receive a confirmation number, CLCU shall not be liable for any failure to make a payment.

**Payment Timing and Details.** Any Payment Instruction you make to a Payee through the Service must be payable in U.S. Dollars and the delivery address must also be in the United States or its possessions/territories. Each Payee must appear on the payee list and your address must also be located in the United States or its possessions/territories.

You must allow sufficient time for the Payee to receive and process the payment before the payment due date. If you do not allow sufficient time, you will assume full responsibility for all late fees, finance charges, or other actions taken by the Payee. Payments may take up to 10 days to reach the vendor (Payee) if indicated they will be paid by check. If the vendor has designated that they will accept electronic payments (the system will indicate how the vendor will accept payment), the payment can take up to 4 days to reach the vendor. CLCU is not liable for any service or late charges levied against you.

CLCU is responsible only for exercising ordinary care in making payments upon your authorization and for mailing or sending a payment to the designated Payee. CLCU is not liable in any way for damages you incur if the available balance in the primary checking account is insufficient to make the payment on the Scheduled Payment Date, or due to delays in mail delivery, changes of Payee address or account number, the failure of any Payee to account correctly for or credit the payment in a timely manner, or for any other circumstances beyond the control of CLCU.

CLCU or its third-party provider reserves the right to refuse to make any payments, but you will be notified of any such refusal within three (3) Business Days following receipt of your process date.

**Unprocessed Transactions and Blocked Accounts.** Notice will be sent when transactions are not able to be processed because of an insufficient available balance. In all cases, you are responsible for either making alternate arrangements for the payment or rescheduling the payment through the Bill Pay Service. **An insufficient available balance will prevent you from making more payments until fully resolved.** Once the issue has been resolved and payment for the insufficient funds item has been collected, it will take 5 to 7 days for your bill payment account to become unblocked. **Any payments that you have scheduled during the period that the account is blocked will not be made.** You understand and agree that you will need to make alternative payment arrangements for any bills that were not paid as a result of the bill payment account being blocked. In addition, CLCU may charge a fee, in accordance with CLCU's **Fee Schedule**, for having an insufficient available balance or for any manual processing required to affect any payment authorized by you.

**Stopping Bill Payments.** Stop payment requests can only be placed on bill payments processed as checks. There is a stop

payment fee, which is set forth in CLCU's **Fee Schedule**. In order to request a stop payment on a check payment, you must contact CLCU at 361-985-6810. Stop Payments cannot be placed on any electronically processed payment transactions. Scheduled electronic payment transactions that have not yet been processed may be changed or cancelled in accordance with the procedures discussed above and before the applicable Cutoff Time listed above.

**E-Bills.** E-Bills are a feature of the Bill Pay Service which allow you to receive bills electronically from participating Payees. Participating Payees establish their own criteria for reviewing requests to receive e-Bills and have sole discretion to accept or decline your request. CLCU cannot and does not participate in the decision. Participating Payees may take up to five (5) Business Days to approve your request to enroll in e-Bills.

**Accessing E-Bills from a Third Party.** In some cases, the Bill Pay Service will obtain e-Bills and information you authorized from the website of the Payee(s) you designate. To do so, you must provide the Bill Pay Service with the necessary information needed for this purpose, such as any username and required password. By doing so, you authorize CLCU to retrieve the account information on your behalf and appoint CLCU as agent for this limited purpose.

**Delivery of e-Bills.** CLCU takes no responsibility if a Payee does not provide the necessary data to forward an e-Bill in a timely manner. If you do not receive an e-Bill, it is your responsibility to contact the Payee directly. CLCU is not responsible for any late charges or other adverse consequences. You must direct any questions you may have concerning the information contained within your e-Bills to the Payee directly. If you choose, you may set up an email notification to alert you when your e-Bills are delivered to the Bill Pay Service.

**Stopping E-Bills.** All parties have the right to cancel e-Bills at any time. We will notify you if we discontinue or stop e-Bills.

**Fees.** CLCU may charge a monthly service fee for use of Online Bill Payment. The amount of the fee is set forth in CLCU's **Fee Schedule**. **Any applicable Bill Payment fees will automatically be deducted from the primary checking account at the end of every month.** If Bill Payment fees apply, CLCU will continue to charge the primary checking account monthly until the Bill Pay Service is discontinued. The fee is not refundable. If the available balance in the primary checking account is insufficient on the date the fee or charge is payable, you authorize CLCU to automatically deduct the payment from the primary checking account or another account as soon as funds are available. You agree to pay any additional reasonable charges for services you request which are not covered by this Agreement. You are also responsible for telephone and Internet service fees you incur in connection with your use of Online Banking.

## **Online Stop Payment Request of Checks**

CLCU may offer you the ability to place an online stop payment request on a share draft or check ("item") as described below. If you provide any incorrect information, CLCU will not be responsible for failing to stop payment.

**Order for Check Stop Payments.** You understand CLCU will not be responsible for stopping payment of the item unless your stop payment request is accurate and is received by CLCU within a reasonable time for CLCU to act on your order, prior to final payment or similar action. You understand that if your stop payment request is made after 2:00 p.m. (CST)/3:00 p.m. (EST), it will not be considered received until the following business day.

**Indemnification.** You agree to indemnify and hold CLCU harmless from all costs related to CLCU's action in refusing payment of the item, including claims of any joint owner, payee, or endorsee, or in failing to stop payment of an item as a result of incorrect information provided by you.

**Authorization and Limitations.** You understand that any Order for Check Stop Payment is conditional and subject to CLCU's verification. You further understand the following limitations: (a) CLCU will not be responsible for stopping payment unless you have sufficient available funds for the item at the time of requesting the stop payment; (b) your request will be effective for a period of six (6) months from the date of the request unless you withdraw or renew the request in writing. You agree to pay CLCU a stop payment fee for each request as described in CLCU's Fee Schedule. Orders for Check Stop Payment are subject to the Uniform Commercial Code as adopted NYS and to the Electronic Fund Transfers Act, as applicable.

**Electronic Draft/Check Conversion Transaction.** You understand that CLCU will NOT stop payment of an item if it is converted to an electronic transaction and presented for payment electronically through automated clearinghouse (ACH) processes.
