Ready, Set, Save!

Credit Union Youth Month is the perfect time to help your child start their savings journey. Opening a youth account at your credit union isn't just about putting money away — it's about building confidence, learning smart money habits, and creating a strong foundation for the future.

With lower fees and competitive savings rates, your credit union makes it easy to get started. On your mark...get set...save! #CUYouthMonth.

During the month of April, CoastLife Credit Union is celebrating Credit Union Youth Month by making it even more rewarding to save. Open a new youth savings account (Kids Klub or Teen Savings), or make a deposit into an existing CoastLife youth account, and we'll match your deposit up to \$10. Plus, the \$5 membership fee will be waived for all new youth accounts.

This special incentive applies to Kids Klub and Teen Savings accounts for members up to age 18 and is limited to one incentive per member/SSN.

Instead, check your account or contact CoastLife Credit Union directly to confirm. Staying cautious is the best way to protect your accounts.

A few simple habits can help you stay safe:

Regularly review your account activity, use strong and unique passwords, and never share your personal information with anyone who contacts you unexpectedly. Small steps like these go a long way in keeping your money secure.
